We can also bring you this cooked breakfast for \$10 pp. Most Guests prefer the self cater provisions.

Enjoy the peace, tranquility and seclusion of this environmentally-conscious retreat. Enjoy our late departure policy after visiting the glow worms in the evening.

The Waitakere Ranges are a great place to either meander along short walks or engage in a more serious trek. We have a good selection of Guide books, maps, etc.

You can take a quiet walk around our property and explore about 1km of developed track which heads down our land to a small stream. The walk is a mix of metalled track and boardwalk and has 3 bridges..In the evening, take the torch, wrap up warmly and visit the glow worms at the stream edges. Stay still for a while, enjoy the sounds of the night bush, the bubbling stream, and become as one with nature.

Or leave your car behind and take a longer walk of about 40 minutes to Bethells Beach or Lake Wainamu. Coming back up the hill can be more leisurely or used as an aerobic exercise!

We can assist with transport so you can walk part of the famed Hilary Trail, the 13km section from Muriwai to Te Henga.
