Sunshine Valley

We are located in North Shore, Auckland, and only 6 min-driving away from Albany shopping centre - with one of the largest Westfield shopping malls. The self-contained unit has a huge kitchen island, indoor and outdoor (a massive deck with 2 sun umbrellas) dining areas with fantastic countryside views. An air-conditioner and a fireplace mainly control the temperature of the unit. Heaters are installed in bathrooms specifically for winter. Outside of the house, you can enjoy the silence and peacefulness of nature and more importantly, our 3 Ha land is even big enough for mini hiking! Unfortunately, we do not allow any parties, but you are more than welcome to enjoy some drinks and soft music with your family and friends. Come on! Our hospitable hosts cannot wait to meet you here!

Privacy:
Technically, we are on the other side of the building, but you and we will be separated, except for the laundry. You will have privacy in bedrooms, bathrooms and living area.
