The Red Shed

Activities nearby include the famous Queen Charlotte Track. Walking and biking can be as short as 1/2 hour or up to 3 days. We are right by the water so boating, kayaking, fishing, and swimming are available.
Plenty of birdlife too, with wading birds and seabirds on the water. The native bush is close by, so tuis and bellbirds will call you awake in the mornings.
We can assist in the pursuit of all these activities, including drop off or pick up on the track if desired.
Havelock township is 15 minutes away with cafes, a supermarket, and pubs.
Blenheim, our nearest major city, 40 minutes away, is called the gateway to the winery region. Sample some of the countries finest wines and explore the boutique shops and many historical features of this sunny town.
