Castlepoint Hotel

Welcome to The Castle .... where locals and travellers share stories. Where the welcome is warm and the beer is cold. Where the food will satisfy and the wine will excite you. Where history abounds and the destination is as big as the journey. Stay a while in our relaxed comfortable accommodation and enjoy our good ol' Kiwi hospitality. Surf the breaks, dive for Paua & Crayfish, book a guided hunt, play a round of golf, try your hand at tennis, walk for miles along the beach, wander the hills, surfcast off the beach, swim in the lagoon, visit our iconic lighthouse and bring your camera to capture those special memories of this special place.

The surf is a short walk from the hotel and Castlepoint is 5km down the road or less along the beach. See you soon!
