

# The Georgian Lodge

You will find the Lodge very restful, tucked away from the road with lots of space around the house and beautiful gardens to stroll around in. The many ponds ensure a good variety of bird life including our own resident ducks.

We have two ensuite double bedrooms that are very spacious, character beamed and furnished with quality furniture, large comfy beds with cotton bedding each have an extra seating area for you sit in and relax. They are light and airy with garden or rural and river views creating that sense of space and peacefulness.

One of these double rooms has an adjoining room making this an ideal set up for a family.

The guest's own private and very spacious lounge room has rustic Kauri beams, Inglenook fireplace, wood paneling and large, sunny bay windows. You will find this a wonderful place to chill out and relax.
