Blackfern Lodge

The perfect place to relax and unwind after a day’s exploring the region or cycling through Pureora Forest Park.
Enjoy a soak in the hot tub / spa under the stars at the end of the day. A destination in itself - featuring native 'whio', waterfall, trout feeding all surrounded by nature at it's best.
Great kiwi hospitality in a remote location, with all the comforts of home.
Be amazed by our majestic waterfall, whio (native blue duck), native orchids, long fin eel, rainbow trout feeding, short tail bats, glow worms and exquisite bird life.
This is accredited to the Blackferm Ecological Restoration project started in 2005.
A truly kiwi experience - unplug from technology and plug into nature!
