Country Lodge Kinloch

Located in a picturesque rural setting at the head of a broad sweeping valley, Country Lodge Kinloch offers extensive views over Kinloch Village, the beautiful Whangamata Bay and across the western bays to the Karangahape Cliffs.

Country Lodge Kinloch offers both self-catering accommodation in a stand-alone Pioneer Cottage, and in-home bed and breakfast style accommodation for guests requiring a higher level of personal service in the main residence. Both options offer a high standard of quality and service in an attractive and interesting environment where design inspiration has been taken from the traditional rural buildings of the American mid-west.

Country Lodge Kinloch is just 4 km from the picturesque lakeside village of Kinloch. An all-weather marina gives ready access to some of the most prolific fishing spots on the Great Lake, at the same time providing for the recreational boater and water sports enthusiast. Whangamata Bay also boasts an excellent beach front ideal for safe swimming, or just soaking up the summer sun. The new Jack Nicklaus Signature Golf Course is just 3 minutes drive away adjacent to the village; a public 10 hole Golf Course nestles alongside this. Two excellent walking/cycle tracks meander over the hillsides to Whakaipo and Kawakawa Bays.

There is a restaurant in Kinloch Village and a corner shop that serves coffee and takeaways; Taupo town offers a diverse range of dining options. Dinner is also available in house by prior arrangement.
