

Maple House B&B

No sulphur smells here and plenty of off street parking.

Your Bed and Breakfast host has extensive knowledge of all the scenic, geothermal, adventure and cultural activities and enjoys helping you make the most of your time in New Zealand and especially the Rotorua area where there is so much to do and see. We can make prior bookings for you, often with a discount.

The spacious dining room overlooking the beautiful garden and forest is the perfect place to enjoy a delicious breakfast. Joan loves to cook, try the fruit platters, fresh bread, home made preserves and omelettes a speciality!!

There is secure garaging and washing facilities for bikes, e-bike charging and proximity to the new Tarawera Rd trail head. Ride from home with easy access to both ends of the 200 +Km trail network and shuttles. Have a quick "warm up" climb on "As you Do" which starts just across the road and finish an amazing day returning on a local favourite "Box of Birds"

Time for complementary refreshments in the garden or beside the fire in Winter!! The two suspended Redwood Forest Tree walks are within walking distance and are very popular additions to the tourist venues. There are many restaurants and cafes within 5km some easy to walk to.

There is a peaceful lounge for your use or join your host in the family room or enjoy the sun outside on the patio.

We offer washing facilities, free parking and WiFi and great friendly hospitality.
