The River Lodge

As a 4 star large timber structure lodge of unique design accompanied by boutique cottages operating under the banner of bed and breadfast our aim is to exceed expectations. With high quality super king and king bedding, quality linen, toweling and bathrobes, extra large rooms to take in the views of Mt Ruapehu and Mangawhero River is the reason why our accommodation is known for its uniqueness and high end standard.

BBQ's are also provided to assist those who prefer to cater for themselves. Complimentary tea and coffee in each room is also provided. All activity bookings and advice along with providing our guests with regional and local maps are done as a value added service.

Should you enjoy trout fishing then fly fishing off the back lawn or guided fishing tours with our guide has to be experienced along with walking the magnificant Tongariro Crossing or smaller scenic volcanic and forest walks. If walking, cycling, trout fishing, flying over the volcanoes or just laying bank in one of our hammocks beside the river with a good book sounds attractive then The River Lode is for you.

We do not have guests at The River Lodge, we have friends. We believe that the little things do matter.
