

# Under the trees B&B and Farmstay

UNDER THE TREES B&B AND FARM-STAY offers a true unique experience.

Come and join the Horse and Cart tour along our farm with rows of beautiful trees and pass our cows in their paddocks. Jump right into the middle of our herd, feed them, pat them and even get the chance to sit on a cow's back!

Relax in our spacious garden, listen to all the different species of birds and watch the chickens and ducks potter along.

Visit our pigs at their pen, give them a scratch, feed them and have a great time with these funny and smart creatures.

If you should be interested in Golf, take a five minute walk down the road and check out Waiotapu Valley Golf Club or get thrilled at NZ Riverjet, which is a drive of 11 minutes.

A good start to the day will be a hearty breakfast. We provide some of our own produce, fresh unpasteurized cow's milk and yummy free range eggs from our chickens.

Your room provides a king-sized bed, a bar fridge with refreshments, coffee and tea, a TV with mySky and free WIFI. You will have your own bathroom with bath tub and shower, which is down the hallway.

There are many things to see and explore and heaps of animals to meet and get close with. All our animals are very friendly and always hungry. We will provide some little treats that can be fed to them on your stay.
