Mill Creek Cottage

Mill Creek Farm Cottage is set on a 25 acre lifestyle block 15 mins drive to Whitianga and 25 mins drive to Hot Water Beach and Hahei.

The fully renovated cottage features two bedrooms (queen beds), spacious and modern kitchen, open dining and living area with wood fire and seperate modern bathroom and toilet. There is a full kitchen, with oven, microwave, and a coffee machine. The extensive deck is partially covered and has outdoor lounge and dining furniture, and a BBQ . Immediately adjacent is 'Nicks Cabin' - a fully renovated sleepout (double) with its' own deck and outdoor furniture. Limited WiFi is available at the cottage.

Both cottage and cabin overlook landscaped gardens and a large pond. There are several swimming holes close by. On the property is a forestry walk with views over the valley. There are chickens, ducks, horses, cows and sheep to interact with and enjoy.
There is plenty of parking room and room for a boat if required.

We are pet friendly - including horses! (outside dogs only please)

The property was created by Helen and Richard and their 6 children and was purchased from the dairy farmer next door. Both the Villa and the cottage were moved on to the property and the extensive planting has all been a labour of love. It gives us great pleasure to share our piece of paradise.
