

Rowan Cottage Organic B&B

Rowan Cottage is an oasis of calm and serenity surrounded by an abundant organic garden and orchard. It is the perfect place to launch into the wonderful natural extravaganza of Tasman and Golden Bay and the peaceful place to land again at the end of an exhilarating and exhausting day seeing the sights.

In the last 10 years, Rowan Cottage has been lovingly transformed from a sheep paddock into an organic Garden of Eden.

Our organic bounty is available to our guests as the season permits.
