

St Arnaud House

St Arnaud House is set in the mature native beech forest surrounding the village of St Arnaud. We are just 600 meters stroll to the idyllic Lake Rotoiti and the surrounding Nelson Lakes National Park and provides the perfect location for the many activities and adventures to be found,

The native forest surrounding St Arnaud House is alive with the fabulous bird songs of New Zealand's native Tuis, Bellbirds, Kaka, and Robins - at night listen for the call of the Morepork and Weka, you might even hear the call of the Kiwi.

Come warm your toes in front of the log-burner after a great day's hiking, fishing or skiing and relax with a great espresso coffee

We have a range of local, Marlborough & Nelson Wines and Beers available on request for purchase

Children are welcome, but please ring to confirm.
