

# The Guesthouse - Artist's Retreat

Our north-facing Guesthouse has an open floor plan that promises a warm, and cozy stay. The king-size bed ensures a comfortable sleep, and the private ensuite features a walk-in shower, toilet, and hand basin for your convenience. You can relax in comfortable armchairs and enjoy the warmth of the electric fireplace. The kitchen is equipped with all the necessary amenities to ensure your stay is as comfortable as possible, including a coffee maker, microwave, toaster, cooktop, fridge, pots and pans, dishes, and cutlery. We will supply complimentary breakfast items such as cereal, bread, orange juice, milk, tea/coffee to help you start your day off right.

Take a leisurely walk to the nearby pond, or if you're feeling more adventurous, hike through the orchard up to the top of our property which takes around 10 minutes. Once you arrive, you'll find chairs to relax in, and enjoy even more breathtaking panoramic views.

Or, you can simply recharge by taking a nap, watching TV, or sitting comfortably in the outdoor chairs on the private covered front porch. This is an excellent spot to enjoy your morning coffee while watching the day unfold, or to admire the stars at night wrapped up in a warm blanket.

Our 24 acre orchard property comprises many varieties of stonefruit eg cherries, plums, apricots, peaches. We also grow seasonal figs, feijoas, apples and asparagus. All our produce is grown using organic methods.

Please note: No smoking or vaping, no pets, no extra guests.
