Middlemarch Farm Bed & Breakfast

Choose to stay in our Schist stone cottage or the farm house. Both rooms have very comfortable queen beds and an ensuite in each. We also have an option of a twin room you would share the bathroom with the farm house guest in this option. This works well in a family/group situation. You will enjoy a satisfying tasty continental breakfast.

Facilities include:
-Country garden to enjoy
-Our dog Ritchie a black Labrador who loves playing fetch.
-Lawn croquet to play.
-Board games
-We can arrange a tasty in house meal provided from one of our local cafes (we need 5 days notice for this.)
-Transport can be arranged to eat out at one of the local eateries, if needed.

We are here to help, but also respect your privacy
If you are here to bike some, or maybe all of our famous Otago Rail Trail we are a great place to stay to start or end your journey . We are keen bikers ourselves and thoroughly recommend this great bike ride.

Other activities we recommend include a walk to Sutton Salt Lake (the only inland salt lake in New Zealand) through beautiful schist rock landscape (40 minutes round trip), or our famous Rock 'n'Pillar range is a great hike to the top if you have had a bit of tamping experience- weather permitting of course. Our Midddlemarch museum is always worth a visit plus we have a local swimming pool for those hotter summer days.
We are only an hours drive away from Dunedin and 45mins to the airport which is a spectacular drive on State Highway 87
