Blue Ridge Studios and Bed & Breakfast

Laura & Derek extend a warm welcome to you and hope your stay is enjoyable.

Blue Ridge is a family owned and operated boutique Bed and Breakfast. Laura & Derek moved to Te Anau from Invercargill in April 2023, and are grateful to live in this spectacular environment and friendly community.

As a family of seven with three older daughters whom have left home to begin their own adventures – Derek, Laura, Devon (7) and baby Kassidy proudly own and lovingly operate Blue Ridge.

Our 3 Studios have self controlled air conditioning/heating, smart TVs, comfortable king size beds with feather-down mattress toppers and duvets, designer linen and quality furnishings.

Kitchenettes are fully stocked and have a microwave, sink, fridge and a good selection of teas and coffees and snacks.

Ensuite bathrooms have powerful showers, heated floor tiles and towel warmers. Organic lavender toiletries are provided with plenty of fluffy white towels and bath robes.

Breakfast options are pre-selected at check-in and delivered to studios at your chosen time. If you have an early start, breakfast options can be delivered the night before.

Relax in our modern hot tub in the beautiful garden under the stars.

Advice and booking service for all local tours is available. We look forward to seeing you soon.
