

The Village

At The Village we blend sustainable hospitality with cozy charm to offer guests a serene and environmentally responsible travel experience. With magnificent views of the mountains, The Village, just six minutes walk from Queenstown Bay, provides a sunny, peaceful haven while minimizing environmental impact. Green energy production and waste reduction are prioritised and Enjo cleaning materials used to ensure a healthy environment for you and your group. A small kitchen garden offers seasonal vegetables for guests.

The Village offers two queen bedrooms (the master has an ensuite) and a third bedroom which can be configured either as a double or two singles depending on your needs. A separate bathroom includes a full laundry for your convenience. In the main, energy is produced from our solar panels and a comfortable temperature is maintained day and night, year round, by the design and construction of The Village. Off-street parking is available for one vehicle during your stay with overnight charging available upon request.

Start your day with our delicious continental breakfast including ready-to-bake croissants, locally produced breads and spreads, yoghurts and fresh seasonally available fruits, together with a selection of teas, juices and Nespresso coffee. As coeliacs we will do our best to accommodate any special dietary needs.

Attractions in Queenstown include the Earnslaw steamer, thrilling jet boat rides, semi-submersible experiences, gondola rides
