

Five Rivers Retreat

Five Rivers Retreat provides amazing accommodation set on a genuine working farm in Northern Southland. We farm sheep, deer and cattle on the property. Roger also has a team of working dogs which he competes at dog trial with. He is happy to show guests the dogs working.

The area is well known for its farming but also for the many great fly-fishing rivers where big browns can be caught. We have local fishing guides, so let us know if you want to experience a day on the river and we can help organise this for you.

Five Rivers Retreat offers you the choice of a Bed & Breakfast stay or a Dinner, Bed & Breakfast stay. Our two guest rooms are individually designed and decorated and both have their own ensuite and private entrance. Our rooms both have king size beds and our ensuites have both a shower and a bath in them, along with heated towel rails and tiled heated flooring.

We have a guest living room where you can settle in and make yourselves at home in front of the large open fire. Our living room has a selection of books for you to browse through, showcasing our New Zealand scenery. We have a wireless internet connection through out the house that guests are free to use at their leisure. Rooms have tea and coffee making facilities.

Do come and enjoy some great southern hospitality, at the same time experience life on a real farm, great accommodation and amazing scenery.
