

Jennys Bed and Breakfast

Jenny's offers you cosy and warm, homely hospitality just 1km from Bell Block beach. I have two rooms available - each with ensuite facilities. One room has a queen-size bed in it, the other has 2 single beds (one is a king single) - all beds have electric blankets. Each room also has a desk and chair, heater, and free wireless broadband.

A breakfast menu will be available on arrival for you to select your breakfast options which includes: Homemade marmalade, home-grown rhubarb, hot porridge, and free range eggs. This is served at a time to suit you. Home-baking is always on hand to have with your coffee and tea.

Bell Block is on your northern approach to New Plymouth with the Airport just minutes away. A laundromat is just 400m away. The New Plymouth CBD is 10km away. The Coastal Walkway now extends right out to Bell Block (within 400m of my property) and is a very popular place to walk or cycle. The Walkway meanders over an 11Km course following the coast, through the city and to the western side of New Plymouth. Good variety of restaurants within 2kms. I am happy to help you plan your sight-seeing of the city or district.
