

Closeburn Lodge Farmstay

The rooms lead out to a lovely outdoor patio with outdoor furniture and a BBQ, which is surrounded by our much loved garden and lawn. There is a swimming pool, complete with a shaded area and outdoor furniture, which is available for your use. Our family apartment has one bedroom with a queen bed and ensuite. There is also a living area with two single beds, and another bed can be added for an extra family member. Closeburn Studio is great for a couple to enjoy a peaceful stay in the country. It has a queen size bed, ensuite, comfortable lounge area and couch, plus great outdoor living. There are no kitchens, but we provide you with supplies for a continental breakfast, electric jug and toaster, microwave, and in the summer you can cook yourself a BBQ if you wish. There are lots of lovely restaurants for dinner in nearby Te Awamutu or Cambridge. We enjoy introducing our friendly cow and horses to our guests - we also have four dogs - all happy to meet and greet our guests if they so wish, plus three cats.
