The Summit Lodge and Gardens

Relax and unwind at the Summit Lodge. Warm and inviting with the benefits of an exclusive, boutique hotel combined with the hospitality of a farmstay. Your party (be it 2 or up to 6 people) has use of a private wing of the lodge and all the cooking and cleaning is taken care of for you. The large lounge is equipped with surround sound and home theatre as well as open wood fire. Home baking and gourmet breakfasts included.

Surrounded by farmland and rolling hills yet only a short drive to wineries, Greytown, Carterton and Masterton towns; the Summit Lodge is perfect for a city-escape and a great base to explore the Wairarapa – the towns, the coast, the bush, wineries and attractions.

Praised for service, hospitality and seasonal food, the Summit Lodge provides boutique accommodation, hearty country breakfasts, home baking and the opportunity to enjoy slow-cooked seasonal food - much grown on-site.

Relax in the extensive gardens which features many native plants which attract a variety of birdlife and check out the amazing night skies and often beautiful sunsets.
