

Our home is spacious and warm - both in character and energy.
We are walking distance to the main attractions in Wellington or easy bus rides.
War Memorial Park is 5 minutes walk and the Basin Reserve where the national game of cricket is played is also close by.
Restaurants and movie theaters are all close. Often we will drop guests off at a restaurant enabling them to have an easy walk home.
A continental breakfast is served either in the kitchen or on a sunny day , the terrace.
Parking is on the street and a coupon is required from 10am - 6pm week days.
Because of the character of the house we do not have ensuites to the rooms. The bathroom is shared but is cleaned between guests.
